

The Hilliard Art Museum opened its doors in 2004. Since its beginning, Hilliard has offered immersive art education to all who visit. Students, families, and art enthusiasts come to the museum for informative collections and breathtaking galleries.

The Hilliard Art Museum was accredited by the American Alliance of Museums on November 18, 2022, after being vetted for multiple years. TRIBUTE TO JUDITH ADAMS

● Mr. SHELBY. Madam President, today I wish to honor the retirement of Judith Adams from the Alabama State Port Authority after 28 years of impactful service. Judy has played an integral role in the growth and development of the Port of Mobile, which has been one of my greatest legislative priorities. Without Judy, the Port of Mobile would not be what it is today. I would be remiss to not formally thank her for all of her hard work.

In July of 1990, Judy was hired by John Dutton, then director of the State dock system of Alabama, to work on media relations and serve as the port's representative in legislative efforts. Four years later, Judy was named the official liaison between the Federal Government and the Alabama State Port Authority, overseeing the transfer of the Navy homeport to the port.

Following her success in that role, Judy was promoted to superintendent at Middle Bay and ran the Theodore Operations. She continued to prove herself a viable asset and climbed the ranks again in 2002 to become manager of media relations.

She was a key facilitator of multiple economic development projects, including landing APM Terminals in 2008, which has been a catalyst for skyrocketing activity at the port. She also oversaw teams that recruited Aker Solutions ASA, Berg Spiral Pipe Corporation, and the ThyssenKrupp projects to Mobile. In partnership with the U.S. Army Corps of Engineers, Judy led community outreach efforts that resulted in a successful Record of Decision for the port's harbor deepening and widening program.

Serving the State of Alabama with such depth of knowledge, Judy's final role as the senior vice president of internal and external affairs oversaw everything she had accomplished in her wide-ranging career with the Alabama State Port Authority. With Judy's significant involvement, the Port of Mobile has become the fastest growing

gateway for containerized cargo in the United States.

Since joining the port in 1990, Judy has worked with four U.S. Senators, four Members of Alabama's First Congressional District, eight Governors, four mayors, and countless county commission, city council, and State legislative officials.

Judy has earned recognitions from GulfShipper for her outstanding leadership and commitment to excellence in international trade and transportation and the U.S. Marine Corps for her help with the 26th Marine Expeditionary Unit's "Training in an Urban Environment Exercise (TRUEX) XXXVII" conducted at Middle Bay Port.

A graduate of Louisiana State University and previous chair of the American Association of Port Authorities Public Relations Committee, Judy currently serves on the board of directors and executive committee of the National Waterways Conference, Alabama Germany Partnership's board of directors, Partners for Environmental Progress, and the Coosa-Alabama River Improvement Association.

Judy Adams helped shape a more prosperous future for the Port of Mobile and the entire State of Alabama. The decisions she made and the projects she championed will benefit our State for years to come. She leaves behind a tenacious legacy that will not be forgotten, and I will miss working with her.

I am proud to take this time to recognize her service with the Alabama State Port Authority, which will continue to reap the fruits of her labor. Her achievements and dedication to transforming the Port of Mobile have not gone unnoticed. I join Judy Adams' friends, family, and colleagues in wishing her the best of luck as she transitions into a new chapter of her life.●
